CAREER OBJECTIVE

A motivated Computer Science postgraduate student seeking an entry-level role to apply technical knowledge and develop practical skills while contributing to the organization's success.

EDUCATIONAL QUALIFICATIONS

Master of Engineering (M.E) | 2024 – 2026
Bharathiyar Institute of Engineering for Women , Salem. (Autonomous)
CGPA – 7.98 (till 2nd Semester)

Bachelor of Engineering (B.E) | 2020 -2024
Bharathiyar Institute of Engineering for Women , Salem. (Affiliated to Anna University)
CGPA – 8.53 (FCD)

Higher Secondary (12th –PCMC) | 2018 – 2020
G.E.T Excellent Matriculation Higher Secondary School, Gangavalli, Salem
Tamil Nadu State Board
Percentage: 79%

Secondary (10th) | 2017 - 2018
New India Matriculation High School, Goodamalai, Salem
Tamil Nadu State Board
Percentage: 90%

TECHNICAL SKILLS

- Programming Languages: Java, Python
- Web Technologies: HTML, CSS
- Design Tools: Figma, Canva
- Tools: MS Word, Excel, PowerPoint

INTERPERSONAL SKILLS

- Teamwork & Collaboration
- Time Management
- Adaptability
- Good Communication Skills

AREA OF INTEREST

- Front-end Development
- UI/UX Design

INTERNSHIPS

UI/UX Design Intern – Internship Studio
- Designed user-friendly interfaces using Figma
- Created wireframes and prototypes

Web Development Intern – Odugaa Tech
- Developed responsive web pages using HTML and CSS

PROJECTS

Secure Sharing Information using Image Steganography.

- Developed a system to hide secret data inside images securely
- Improved data security using cryptography and steganography

Protecting Data and user privacy in a distributed server: Confidentiality preservation techniques.

- The project protects cloud data by encrypting it and hiding it using cryptography and steganography.
- Only authorized users can access the data, making cloud storage more secure.

Quantum-Secured Federated Learning Framework dynamic security assessment in smart grids.

- Designed a secure data analysis model using federated learning and quantum key distribution
- Enhanced privacy and protection against cyber attacks.

CO-CURRICULAR ACHIEVEMENTS

- Presented a research paper titled "A Quantum-Secured Federated Learning Framework for Dynamic Security Assessment in Smart Grid" at the National Conference IDEATE 2026, organized by SIMATS Engineering College, Chennai.
- Attended a One-Day Workshop on ".NET Web API" at the National Level Technical Symposium KNOWMEET 2K'22, organized by Knowledge Institute of Technology, Salem.
- Participated in a paper presentation and presented a paper titled "Artificial Intelligence" at the SYMCOSCI National Level Symposium, organized by Muthayammal Engineering College, Namakkal.
- FIRST PRIZE IN SHORT FILM & SECOND PRIZE IN POSTER MAKING in the College Competition at Bharathiyar Institute of Engineering for Women

ONLINE CERTIFICATION

- Completed a Master Class on PYTHON PROGRAMMING & 3O days Master Class on DATA SCIENCE AND ANALYTICS at Pantech e Learning Pvt Ltd, Chennai, and got a completion certificate from the specified website
- Completed a "INTRO TO ML, DL, AND COMPUTER VISION" course held during summer school 2023, conducted by AI CLUB.
